

**TOWN OF SULLIVAN'S ISLAND
NONCONVERSION AGREEMENT
FOR CERTAIN STRUCTURES IN THE FLOOD PLAIN**

Whereas, _____ is the owner of lot _____, Block _____ on a survey by _____ recorded in the RMC office for having address _____ and TMS# _____. The owner of this property has been issued Permit # _____ to construct, improve, or repair the property indicated above in the Town of Sullivan's Island, South Carolina; and

Whereas, the permitted building has the lowest floor elevated and/or the lowest structural member and all equipment servicing the building above the (*design flood elevation/ base flood elevation plus one (1) foot*), and the design and construction of the building meets current building code and flood damage prevention ordinance requirements; and

Whereas, as a condition of a Certificate of Occupancy, the owner must agree to not alter the building at a later date so as to violate the building code or flood damage prevention ordinance requirements; and

Whereas, the owner places these restrictions on its property for the benefit of the Town of Sullivan's Island and its residents; and

Now, therefore, the undersigned owner of said property hereby agrees to the following:

1. That the enclosed area below the lowest floor shall be used solely for parking of vehicles, limited storage, or access to the building and will never be used for human habitation without first becoming fully compliant with the flood damage prevention ordinance in effect at the time of conversion. An allowable use list is available from the Town of Sullivan's Island.
2. That all interior walls, ceilings, and floors below the (*design flood elevation/base flood elevation plus one (1) foot*) shall be unfinished or constructed of class four (4) or five (5) flood-resistant materials.
3. That mechanical, electrical, or plumbing devices that service the building shall not be installed below the (*design flood elevation/base flood elevation plus one (1) foot*) unless specifically approved and permitted by the floodplain administrator.
4. That the openings in the walls of the enclosed area below the lowest floor shall not be blocked, obstructed, or otherwise altered to reduce the size of the openings or restrict the automatic entry and exit of floodwater.
5. That any breakway wall will not be altered or obstructed by attaching electrical devices or wires, plumbing pipes, irrigation pipes, mechanical equipment or ductwork and any other item or fixture that would impede the breakway capacity of such wall.

6. That the owner and subsequent owners agree to allow a representative of the Town of Sullivan's Island on the premises to verify compliance with this agreement at least once a year. The Town representative will provide at least forty-eight (48) hours' notice of such visit and will provide prompt notice of any violations discovered.
7. These restrictions shall be covenants running with the land and shall be binding on the owners and their heirs, successors or assigns forever.
8. That this agreement shall be recorded with the deed to the above property so that subsequent owners are made aware of these restrictions, and the same may not be modified or cancelled except with the written consent of the Town of Sullivan's Island and recorded in the RMC office for Charleston County, South Carolina.
