May 17, 2016

The regular meeting of Town Council was held on the above date at 6:00 p.m., all requirements of the Freedom of Information Act having been satisfied.

Present were: Patrick M. O’Neil, Mayor
            Chauncey Clark, Mayor Pro-Tem
            Sarah Church, Councilmember
            Mark Howard, Councilmember
            Rita Langley, Councilmember
            Susan Middaugh, Councilmember
            Bachman Smith, IV, Councilmember

Mayor O’Neil called the meeting to order at 6:00 p.m. and stated the press and public had been notified in accordance with State Law. There were approximately ten members in the audience, with no members of the media. Mayor O’Neil led the Pledge of Allegiance, followed by the invocation by Councilmember Clark.

I. FORMAT: Mayor O’Neil opened the floor for comments.

Nicky Bluestein, 2513 Atlantic Ave., asked Councilmember Middaugh to define the Transition Zone; Mayor O’Neil about Nature Paths in the Accreted Land and Jeff Jackson if he had a list of Native Plants for Sullivan’s Island. Mayor O’Neil responded that this time was directly for comments to Council and he would be happy to answer any questions after the meeting.

Vince Musi, 2002 Middle St., suggested to Council to get professional advice regarding the new sign at the entrance of the island.

Chuck Galis, 1817 Back St., suggested to Council to get public input before the final decision is made for the new sign at the entrance of the island.

Sydney Cook, 1614 Thompson Ave., mentioned that she hopes whichever new sign Council chooses for the entrance, it reflects the classiness of Sullivan’s Island. She also stated that there may be a more creative solution to inform the residents and visitors of news and upcoming events other than the digital board.

Comptroller Blanton stated that there is a 1.1-million-dollar increase in both expenses and revenue from last year. The majority of the increase is due to a 380K addition
from the Admin Department and 200K for the 2003 GO Bond. Comptroller Blanton also budgeted 50K toward cleaning and maintaining the new Town Hall/Police Station, as well as 29K increase for insurance. The Fire Department has budgeted improvements of approximately 200K to the windows and siding. The Police Department has budgeted two additional officers at approximately 80K, after netting the two salaries against any current overtime from officers. The Police Department will also purchase three additional vehicles, due to regular rotation. The Maintenance Department has 210K budgeted, with roughly 100K for the Accredited Land Management Plan implementation, 50K for the Station 26 boat landing repairs and 60K for the Storm Water System.

Comptroller Blanton stated that the property tax revenue is coming in higher than projected this year. There is no milage increase, so it remains at 33.1 mils. For the debt retirement on the 2014 GO Bond, which paid for the new Fire Department ladder truck and a portion of the new Town Hall/Police Station, the milage had to increase from 5 mils to 6.3 mils to pay off the full debt. That bond will be paid off in 2025.

Mayor O’Neil opened the floor for public comments. There were no public comments.

The majority of the chairs, wall colors, fabrics, floors and desks have been chosen, leaving just a few decisions to be made.
