May 21, 2013

The regular meeting of Town Council was held on the above date at 6:05 p.m. at Town Hall, all requirements of the Freedom of Information Act having been satisfied:

Present were:  Carl Smith, Mayor
                Mike Perkis, Mayor Pro Tem
                Hartley Cooper, Councilwoman
                Jerry Kaynard, Councilman
                Madeleine McGee, Councilwoman
                Mary Jane Watson, Councilwoman

Mayor Smith led the Pledge of Allegiance; followed by the prayer by Councilwoman Watson. There were approximately 40 citizens in the audience, including two members of the media.

Motion was made by Councilwoman Watson, seconded by Councilman Perkis, to move item 4 on the agenda, Resolution of Appreciation, to the present time, carried unanimously.

Mayor Smith presented a Resolution of Appreciation to Robie Scott, Chair of the Municipal Election Commission, and resident volunteer Stephanie Dehart for their leadership and time conducting the May 7, 2013 Municipal Election.

Councilwoman Watson stated she would be leaving the meeting about 6:30 pm, during public comment.

Mayor Smith opened the floor for public comment.
Linda West, 1714 Middle Street, commented on the resident concerns regarding the potential multi-family Overlay District. Her comments are on file at Town Hall.

Barbara Spell, 1702 Atlantic Avenue, read her letter regarding the municipal election which was printed in the Post and Courier newspaper this week. She congratulated Mayor-Elect Perkis with his victory, and stated the final numbers were very revealing. Councilman Perkis won with only 6 votes shy for a recount and runoff. Interestingly, those six votes are equal to the number of Town Council members who continue to vote to deny residents to vote on the referendum. Her letter is on file at Town Hall.

Sydney Cook, 1614 Thompson Avenue; Melissa Kelly, 1456 Thompson Avenue; Rita Langley, 1618 Middle Street; and Michael Mithoefer, 407 O’Neil Court; expressed their opposition to the potential multi-family Overlay District discussed at the last Planning Commission meeting. Sydney Cook also inquired how many signatures she should get to present to Council of the opposition to this. Because there is no certain number, she will continue to get signatures.

(Councilwoman Watson left the meeting at this time.)

Chauncey Clark, Planning Commission Chairman, gave a brief explanation of the potential overlay district, and stated the public hearing would probably be scheduled for July. At the last Planning
Commission meeting, there was strong opposition from residents within a two block area of the proposed overlay district, with two in favor of the proposal.

Barbara Spell indicated her concern this subject was discussed at a Planning Commission meeting set up for the day after the election; it should have been discussed during the election. Councilman Perkis stated the meeting was the usual monthly meeting as set by the Town calendar published in December. The public asked Council to look into the multi-family dwelling; therefore, Council unanimously agreed to send it to the Planning Commission for their study and review. This is the very beginning of the process.

Karen Coste believed that Mr. Clark’s statement that the attendance of residents within two blocks of the proposed multi-dwelling area out of an island of 2,000 implied that the majority of the island is not interested in the issue, and that is not true.

Councilwoman McGee suggested that the Planning Commission Public Hearing be held in the Fall, rather than July. Councilman Perkis stated that there is no reason to wait until the Fall.

In addition, twelve terms will expire on all boards and commissions this September. Councilman Kaynard recommended advertising the three vacant seats starting this week with a closing date of June 28. Council can make a decision on the July 1st workshop special meeting so the seats will be filled for the July meetings; and the applications could also be considered for September vacancies. Clark, Board of Zoning Appeals vacated by Susan Middaugh; and Municipal Election Commission vacated by Bryon Bailey, with a deadline of noon, June 28, 2013; with the decision to be made by Council at a Special Meeting on July 1, 2013, carried unanimously.

Councilwoman Watson will have more information on this in the near future.
