The regular meeting of Town Council was held on the above date at 6:00 p.m., all requirements of the Freedom of Information Act having been satisfied.

Present were: Patrick M. O’Neil, Mayor
               Chauncey Clark, Mayor Pro-Tem
               Sarah Church, Councilmember
               Mark Howard, Councilmember

               Susan Middaugh, Councilmember
               Bachman Smith, IV, Councilmember

Mayor O’Neil called the meeting to order at 6:00 p.m. and stated the press and public had been notified in accordance with State Law. There were approximately twenty members in the audience, with two members of the media. Mayor O’Neil led the Pledge of Allegiance, followed by the invocation by Councilmember Clark.

I. FORMAT: Mayor O’Neil opened the floor for public comment.
Seth Abramson, 187 Gordon Street, Owner of Daniel Island Bike Taxi, presented to Council the idea of having his bike taxis on Sullivan’s Island to help relieve traffic, parking issues and congestion.

II. PRESENTATION:
Rusty Bennett led Town Council members, along with staff and residents, outside of Town Hall to view a brief presentation regarding the message board for the potential new “Welcome Sign”. Mayor O’Neil stated that while everyone is outside, no decisions will be made. Upon returning inside, Mayor O’Neil re-opened public comment regarding the presentation.

Rusty Bennett, 3124 Marshall Boulevard., stated that he has no opinion whether the Town decides on the new Welcome Sign or not. He added that if the Town decides to go forward with the sign, he would like to see the message board attached, rather than the construction sign that gets used for special events.

Carol Killough, 1813 Back Street, suggested to Council for the Town to develop an app to communicate with residents and visitors of the island, rather than having the message board.
Ed Fava, 2424 Myrtle Avenue, mentioned he was impressed with the presentation and message board, but does not think it speaks to the character of the island. He also mentioned that there needs to be a comprehensive sign plan developed.

Chuck Galis, 1817 Back Street, stated that his comments are not to be taken personal to those gifting and/or designing the sign, however, he believes the message board method is an outdated way to communicate and it is not common to barrier islands.

Brian Harvin, 916 Middle Street, wanted to thank everyone involved with the Welcome Sign. He believes the entrance to Sullivan’s Island sets the tone for the island and there are better ways to communicate to residents such as apps and phones. He also mentioned that in the Sullivan’s Island Zoning Ordinance under signs, it states that internally illuminated signs are prohibited.

Michael Mithoefer, 407 O’Neil Street, stated that he does not think the tide clock or the message board fits in with the character of the island; it is outdated.

III. OATH OF OFFICE:
Mayor O’Neil, along with Police Chief Howard, administered the Oath of Office to Danielle Soule, the newest employee of the Police Department.
