

Seasonal Operator Support

Salary: \$15.00 per hour.

The Town of Sullivan's Island Water & Sewer Department is seeking to hire a seasonal helper to support our full-time staff. The position will require you to perform a variety of supervised tasks related to the operation, maintenance and repair of the water and wastewater system.

Physical requirements include the ability to lift, carry, push and pull objects weighing up to 50-100 pounds, manual dexterity in order to work with various tools and equipment, the ability to climb ladders and stairs while potentially carrying heavy loads, the ability to bend, kneel, stoop, and maneuver in small spaces while performing various tasks. Working conditions may include being in areas that may be uncomfortable due to temperature, noise, odors, dust and dirt as well as exposure to the elements when working outdoors.

The position will be up to 40 hours per week during the summer months. All applicants must be at least 18 years of age, with a valid South Carolina Driver's License.

Applicants must complete and return a General Employment Application from the Town website. It can be mailed to: Town of Sullivan's Island, Attention: Greg Gress, PO Box 427, Sullivan's Island, SC 29482; or email ggress@sullivanisland.sc.gov, Phone (843)883-5748.

The Town of Sullivan's Island is an Equal Opportunity Employer.
