Water Wastewater Operator / Trainee

Starting Salary Range: \$19.00 - \$27.43 per hour DOQ.

Position Open Until Filled

This position requires a responsible energetic individual that works well with others.

Sullivan's Island is a barrier Island located across the harbor from historic Charleston. Approximately 2,000 residents live on Sullivan's Island today. The Town is known for its unhurried pace, beautiful beaches and local charm. A strictly residential community.

Drinking water is purchased from Charleston Water System (CWS). Polyphosphate addition at three feed locations is the only treatment provided. An average of .570MGD wastewater is collected and transported to the Treatment Facility via six lift stations and approximately 17 miles of collection pipe. The WWTF is designed to treat .570MGD.

Responsibilities:

Responsibilities include: Performs a variety of supervised and unsupervised tasks assisting other Operators related to the operation, maintenance and repair of water and wastewater systems. This is a single-position. Residency requirement is a 20 mile radius from Sullivan's Island. For complete job description visit our web site <https://sullivansisland.sc.gov/government/employment-opportunities>

Minimum Qualifications:

Requires a valid SC driver's license; High School Diploma; 5 years' experience in the construction field of water and sewer main installation and backhoe/excavator operation a plus. A strong desire to become a Certified Water and Wastewater Operator a plus. Must become an Operator Trainee in Water Treatment, Water Distribution and Wastewater Treatment within six months of hire if not already a licensed operator.

Applicants cannot be considered until a completed employment application has been received. Mail application to: Town of Sullivan's Island, Attention: Greg Gress, PO Box 427, Sullivan's Island, SC. 29482, or email ggress@sullivansisland.sc.gov, Phone (843) 883-5748. Download employment application from our web site. Sullivan's Island is an EOE employer.

 - b. Maintains Water & Sewer Department grounds by mowing grass, removing debris or leaves, etc.
 - c. Performs water and sewer line maintenance, repairs and installations.
 - d. Performs water meter maintenance, installs, repairs, replacements and monthly reading
 - e. Performs duties related to sludge disposal.
 - f. Performs routine preventive maintenance inspections.
 - g. Assists with complex preventive maintenance inspections and overhauls.
 - h. Assists with complex installs and repairs/rebuilds of equipment.
 - i. Performs minor repairs to transportation vehicles.
 - j. Performs routine preventive maintenance inspections and overhauls.
6. Responds to after-hour call-ins for emergencies as needed. Must keep town issued phone charged and responds to calls as needed.
7. Cross-trains to perform tasks outside of primary area of responsibility and assists with other maintenance tasks as assigned.

8. Participates in required training and educational programs and integrates learning into job role.
9. Completes specific job competencies for continued employment.
10. Performs additional duties as requested.
11. Meets and maintains scheduled attendance requirements.

Skills, Knowledge and Abilities Required:

1. Position requires current South Carolina Wastewater Treatment Operator Trainee Certification, Water Distribution Operator Trainee Certification, and Water Treatment Operator Trainee Certification.
2. Work requires ability to read, write and perform arithmetic calculations at a level normally acquired through completion of a high school education or equivalent. Trade school in a related field is preferred.
3. Work requires ability to perform tasks at a level as would normally be attained through a minimum of three years of progressive maintenance experience or through a combination of relevant education and work experience.
4. Work requires high degree of skill in using a variety of hand and power tools and shop equipment.
5. Work requires ability to learn and retain instructions for operating, repairing and maintaining equipment and tools. Work requires ability to maintain and complete simple records and forms.
6. Work requires ability to understand and carry out written and oral instructions.
7. Work requires ability to follow established safety guidelines while performing required tasks. Work requires ability to recognize situations that may present hazardous or unsafe conditions and to respond in a manner consistent with established safety guidelines and training.
8. Work requires interpersonal skills to communicate with others effectively and tactfully.
9. Work requires analytical skills and strong attention to detail.
10. Work requires valid driver's license. Work requires a safe driving record.

Physical Requirements:

1. Work requires ability to lift, carry, push and pull objects weighing up to 50 pounds on an hourly basis and up to 100 pounds on an occasional basis.
2. Work requires the ability to reach, grab and maneuver with arms and hands in various positions, including overhead, for up to 2 minutes at a time on a frequent basis.
3. Work requires manual dexterity in order to work with various tools and equipment.

4. Work requires the ability to climb ladders and stairs on a daily basis and requires climbing while carrying up to 50 pounds with same frequency.
5. Work requires the ability bend, kneel, stoop, and maneuver in small spaces for up to 2 minutes at a time while performing various tasks.
6. Work requires the ability to stand for up to two hours at a time on a regular basis.
7. Work requires ability to work in confined spaces and wear a respirator.
8. Work requires ability to proofread and check documents for accuracy on an ongoing basis.
9. Work requires the ability to use a keyboard and video display terminal to enter, transform, receive, retrieve and/or audit information and data on a daily basis.
10. Work requires the ability to observe and interpret information from meters, instrumentation, guages and test instruments on an ongoing basis.
11. Work requires sufficient visual and auditory acuity to interact and communicate with others.

Reporting Relationships:

1. Reports to the Chief Operator and/or the Operator of the assigned section.
2. May be assigned responsibility for leading the work of others for specific tasks and/or time periods.

Working Conditions:

1. Works in areas that may be uncomfortable due to temperature, noise, odors, dust and dirt.
2. Work requires exposure to extremes in temperature when working outdoors with scheduled plant and/or field maintenance.
