I. General Information

The Town of Sullivan's Island seeks a qualified site work contractor to perform minor trail construction, path clearing and minor grading of sand for a second phase of the Sullivan's Island Nature Trail planned between the Station 16 Street and Station 18.5 Street beach paths.

II. Background

Phase II of the nature trail is partially funded through a 2023 South Carolina Parks, Recreation, Tourism (SCPRT) Grant, administered by way of their 2023 Recreational Trails Program. This section of the trail is intended to provide the public with a non-motorized pedestrian access between the National Park Service's Fort Moultrie property and the Sullivan's Island Lighthouse property located at Station 18.5 ([Map link](#)). The trail section will also be a continuation of the existing Phase I loop originating on the seaward (southern) side of the Station 16 Street beach path, and will link to the eastbound trailhead of Phase II.

The trail's construction will be of a naturally compacted and graded sand with a linear distance of approximately $\frac{3}{4}$ of a mile (3900'). No external delivery of sand will be needed. The trail will be 8' to 10' feet wide and traverse relatively low and undulating secondary dune topography. The contractor will be tasked with general clearing of brush, vines and shrubs along the marked path. No trees are to be removed.

III. Scope Of Work

Contractor shall furnish and provide all labor, supervision, equipment, materials, supplies, tools, and expertise to properly and professionally perform all required services described in this RFP. The general scope of work includes completion of an on-site inspection of existing conditions to perform all operations necessary for minor grading and path clearing (removal, grinding and/or disposal of vines, shrubs, and other vegetation) encountered along the marked trail centerline. This contract will require all other tasks outlined under "Contractor's Responsibilities."

A. CONTRACTOR'S RESPONSIBILITIES

Timeline for Completion:

The contractor shall commence clearing work within 48 hours of finalizing contracts and receiving permits which will be the official "Notice to Proceed." Contractor must also obtain any necessary permits from the Town of Sullivan's Island Administrative staff (Town staff) and obtain a Town issued Business License. Contractor will ensure work is completed expediently in adherence with the respondent's project schedule and take no more than ninety (90) days. If contractor requires additional time to complete the scope of work, adequate justification shall be made to the Town for written authorization and approval.

Mobilization, Access and Work Hours:

The main access for this project will be from Town maintained beach paths located at Station 16, 17, 18 and 18 $\frac{1}{2}$. Sullivan's Island staff must be given a minimum of twenty-four (24) hours' notice prior to equipment and crews accessing public beach access points. The contractor shall use the utmost care when accessing and working within the Town's protected land, and be

responsible for job security of all personnel, equipment, materials and tools. No claim for loss or damage will be considered by the Town. Contractor activities within the Town's protected land shall be limited to 8:30 am-6:00 pm Monday through Friday and 10:00 am-4:00 pm Saturdays.

Specifications:

1. **General Duties and Responsibilities of Contractor.**
 1. Contractor is expected to possess the necessary experience, skills and craftsmanship to construct and grade walking trails with the minimum slope and cross-slope outlined below.
 2. Contractor, crew, and any subcontractors associated with this project are expected to conduct themselves in a professional manner at all times and utilize mechanized equipment in accordance with the best practices noted below.
2. **Field Layout and Design.** The trail centerline has been carefully laid out and flagged, but some minor adjustments may be permitted. If the contractor has any questions regarding the proposed alignment, they must discuss this with Town staff prior to making any changes. If the contractor deviates from the established route, or outside any agreed upon buffer without permission, they may be required to fix the work without additional compensation.
 1. Corridor width shall be 8-10 feet wide, or 4-5' feet to either side of the centerline.
 2. Contractor should try to preserve all trees within this corridor and move the trail around them if possible.
3. **Tree and plant protection.** The Contractor shall protect trees and root systems outside of the defined trail tread, front slope, and back slope area from damage from construction equipment or damage due to soil compaction. The Contractor shall flag any trees or plants designated by the Town Staff to be protected.
4. **Site Meeting/Visits.** Contractor will participate in an on-site construction meeting with Town Staff to discuss the project prior to commencement of work. Town Staff will perform regular site visits as the project continues. Contractor needs to schedule a meeting with the Town Staff any time there is uncertainty with the project.
5. **Trail Construction.** Contractor and all crew members shall be required to be knowledgeable of and have proven capability of meeting or exceeding all general standards and conditions defined in this RFP or otherwise adopted for this project prior to and during construction. Specifics include:
 1. **Trail building techniques.** The Contractor is expected to be fully versed in the techniques used to build sustainable hiking trails; this includes, but is not limited to, understanding and applying rolling grades.
 2. **Trail grades.** Grades shall not exceed ten percent (10%), unless approved by the Town Staff. All trail grades must be sustainable, as determined by the Contractor. See attached Cross-section 1 (Page 15).
 3. **Trail Construction in Flat Terrain.** Where the trail needs to be constructed on flat ground, Contractor needs to take added and adequate measures to ensure that the trail is sustainable and wetlands are protected.
 4. **Tread Construction.** The Contractor shall typically follow these basic steps to construct a partial bench cut sustainable trail, including:
 1. **Out-slope the tread.** Typically, 5% percent to ensure proper sheet flow of water

across the trail tread, rather than down the trail tread; where the existing surface side-slope is less than 5 percent, the out-slope shall conform to the existing side-slope; removed material shall be broadcast down slope of the trail in a thin layer; the critical point where the trail tread meets the downhill slope shall be rounded and well compacted. See Cross-section 2 (Page 15).

2. **Fine rake and compact the tread.** The entire width of the trail tread shall be evenly raked and then compacted by mechanized equipment furnished by the Trail Builder; soil compaction shall be completed with adequate soil moisture content to ensure proper compaction; fine raking shall leave the trail tread flat and even, with no areas for water runoff to pocket.
3. **Finish the tread and trail corridor.** Remove any flagging and broadcast organic material originally raked off of the trail tread location down slope over the loose soil from the tread excavation; 'leave no trace' principles will apply; the area adjacent to the trail shall be restored to appear undisturbed; restoration of disturbed areas shall include but not be limited to raking and leveling disturbed soil adjacent the trail tread, spreading leaves and other similar organic material over exposed soil, and removing all evidence of construction and equipment.
4. **ADA Matting Installation.** A 470' segment of 5' wide plastic ADA matting will be established between Station 18 beach path 18.5 beach path. Some cutting and splicing will be needed at turns. Matting and hardware will be provided by the Town.
5. **Mechanized Equipment Best Practices.** It is the intent of the Town of Sullivan's Island to minimize the impacts of construction, especially mechanized equipment. As such:
 - (a) All equipment will be clean and free of debris before being introduced to the work site. Equipment is subject to inspection at the start and during the project.
 - (b) All mechanized equipment shall be in good mechanical condition, free of any fluid leaks and be equipped with spark arrestors if applicable.
 - (c) Each machine will be equipped with a readily accessible fully charged fire extinguisher.
 - (d) Machine service and fueling is not permitted within 500 feet of a wetland or drainage.
 - (e) A spill kit suitable for five gallons of fluid will be onsite and within 500 feet of mechanized equipment whenever equipment is being operated.
 - (f) Using mechanized equipment equipped with tracks is strongly recommended. All track marks will be raked smooth and affected areas will be finished to have a natural shape, e.g., spoils piles rounded, smoothed and cleared of significant brush, blade edges blended.
 - (g) Scarring of trees within and outside the corridor is to be avoided.
 - (h) Machine access is restricted to the trail corridor, separate access routes may only be created and used with prior written permission from Town staff. Any approved access route must be retired and reclaimed back to its original condition upon project completion. Any proposed turnarounds shall be approved prior to construction and must be retired and reclaimed back to its original condition upon project completion.
 - (i) Any equipment that does not meet these criteria shall be shut down until in compliance. If not correctable, it will be removed from the project site at no additional cost to the Town. As part of their bid package, the contractor will be asked to supply the expected

list of mechanized equipment required to complete the project.

5. **Performance and Progress Assessment.** If the Town feels that the project is not moving according to schedule, or that the work is not up to industry standards, the Contractor will be notified and must take steps to remedy the matter. If improvements are not made satisfactorily, the Town reserves the right to remove the Contractor from the project.
6. **Quality Control and Crew Expectations.** As previously defined, the Contractor shall employ workers skilled and experienced for the specific task required. The Contractor and crew leaders are responsible for the performance and professional manner of all crew members. Any crew or crew member acting in a nonprofessional or inappropriate manner that jeopardizes the health, safety and welfare of other crews working on the site, or the public at large, will be cause for dismissal of that member or the entire crew, at the discretion of the Town. Failure to immediately address such issues may be cause for cancellation of the contract.
7. **Construction Facilities and Site Protection.** The Contractor is responsible for maintaining the work site in a safe and responsible manner. This includes erecting and maintaining fences and barricades when necessary to provide adequate protection for their own and other crews, and other authorized project members. The Contractor shall secure, properly cover and protect his own equipment, materials and work against damage of any kind until this project is complete and the Town takes possession. The Contractor shall maintain a neat and orderly job site and shall promptly remove all debris and dispose of the debris legally off site. The Contractor shall remove all temporary fences, barricades, signs, etc. upon completion of the work.

B. TOWN RESPONSIBILITIES

- a. The Town will provide fair and reasonable access to the job site within the working schedules of both parties.
- b. Provide payment within 30 days upon receipt of invoices.
- c. ADA matting and hardware will be provided. Approximately 470' segment of 5' wide

IV. Request For Proposals (RFP) Process and Policies

Submittal of Statements of Proposals

The Town of Sullivan's Island is hereby issuing this Request for Proposals (RFP) to firms that have the capability and interest in undertaking and performing the scope of work described in this RFP. The RFP will be publicly advertised in accordance with the Town's procurement guidelines.

The OFFICIAL CONTACT for this solicitation is:

Joe Henderson
Deputy Administrator
(843) 883-5731
jhenderson@sullivansisland.sc.gov

Each firm responding to this solicitation is officially a RESPONDENT. Each respondent must submit a sealed package containing one (1) hard copy plus one (1) digital (emailed) copy of its statement of Proposals to the address above no later than **Friday, April 26, 2024 at 1:00 pm**. Statements of Proposals may be submitted in person, by messenger, or by regular mail. All submissions will be

logged in and date and time stamped. **Any Proposals package that is received after the date and time specified will be logged and date and time stamped as "late" and returned unopened to the respondent.**

Proposed Procurement Timeline

Release date for RFP	March 28, 2024
Site Visit	April 11, 2024, 9:00 a.m.
Final Date to Receive Written Questions/Clarifications	April 12, 2024, 5:00 p.m.
RFP Closing Due Date	April 26, 2024, 1:00 p.m.
Selection of Bid	May 3, 2024 estimated
Execution of Contract with Consultant	May 10, 2024 estimated

Labeling of Submissions

All submissions must be submitted in a sealed envelope or package plainly marked "Town of Sullivan's Island – Phase 2 Trail Construction, Attn: Joe Henderson" with the name and address of the respondent in the upper left-hand corner. No responsibility will attach to the Town of Sullivan's Island or any official or employee thereof, for the pre-opening, post opening, or failure to open a submission not properly addressed and identified.

Proprietary/Confidential Information

All materials and written Proposals submitted pursuant to this RFP shall become the property of the Town of Sullivan's Island and will not be returned. All respondents must visibly mark as "CONFIDENTIAL" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Marked pages will not be disclosed if they are deemed to meet the requirements under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq. Respondents should be prepared, upon request, to provide justification of why such materials should not be disclosed in accordance with the South Carolina Freedom of Information Act.

Questions/Requests for Clarification

All questions and/or requests for clarification regarding this RFP should be provided in writing to Joe Henderson no later than **April 12, 2024 at 5:00 p.m.** All questions submitted and their answers will be posted on the Town of Sullivan's Island website as an addendum to this RFP. No telephone inquiries will be accepted.

Addenda

If it becomes necessary to revise any part of this RFP, a written addendum will be issued. All addenda issued by Town of Sullivan's Island will become part of the official RFP and will be posted on the Town of Sullivan's Island website [link](#). Receipt of all addenda must be acknowledged in the response to this RFP.

Contact Policy

No direct or indirect contact regarding this solicitation may be made with any representatives of the Town of Sullivan's Island other than the official contact identified in this RFP. If such contact is made, the Town of Sullivan's Island reserves the right to reject a submission by that respondent. All questions and/or requests for clarification must be provided in accordance with the Questions/Requests for Clarification section. This contact policy applies to site visits and requests for technical information. Any technical information needed from the Town of Sullivan's Island to prepare a submission should be coordinated through the Questions/Requests for Clarification process outlined above.

Acceptance and Rejection of Submissions

Any submissions that do not conform to the essential requirements of the RFP shall be rejected. The Town of Sullivan's Island reserves the right to waive informalities and minor irregularities in submittals and reserves the sole right to determine what constitutes informalities and minor irregularities. The Town of Sullivan's Island also reserves the right to accept or reject any or all submissions received in response to this RFP. The Town of Sullivan's Island is not obligated to enter into any contract on the basis of any submittal in response to this RFP. The Town of Sullivan's Island reserves the right to request additional information from any firm submitting under this RFP if such information is necessary to clarify the submission.

Cancellation/Rejection

The Town of Sullivan's Island may cancel this RFP in whole or in part at any time if it is determined to be in the best interest of the Town of Sullivan's Island. The Town of Sullivan's Island may reject any or all submissions in whole or in part if it is determined to be in the best interest of the Town of Sullivan's Island.

Conflict of Interest

Respondents shall promptly notify the Town of Sullivan's Island in writing of all potential conflicts of interest for any prospective business association, interest, or other circumstance, which may influence or appear to influence the respondent's judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest, or circumstance, the nature of work that such a person may undertake, and request an opinion of the Town of Sullivan's Island as to whether the association, interest, or circumstance would, in the opinion of the Town of Sullivan's Island, constitute a conflict of interest. By responding to this solicitation, the respondent certifies that it has no conflict of interest with any employee, agent, elected official or officer of the Town of Sullivan's Island or any other conflict as may be set forth herein.

Collusion

More than one submission from an individual, firm partnership, corporation, association or related parties under the same or different names will not be considered. If the Town of Sullivan's Island believes that collusion exists among respondents, all submissions from the suspected firms will be rejected. "Related parties" means respondents or the principals thereof, which have a direct or indirect relationship or profit-sharing interest in another respondent.

Respondents shall comply with all local, state, and federal directives, orders, and laws applicable to

this RFP and any resulting contract.

By responding to this RFP, respondents certify that the response is made without previous understanding, agreement, or connection with any person, firm or corporation making a submission for the same item, and they certify the knowledge that this would constitute an illegal action.

V. Statement Of Proposals Contents

Respondents interested in providing the services outlined in this RFP must prepare and submit a statement of Proposals that must not be more than the equivalent of seven (7) single sided 8 ½ by 11-inch pages in length (not counting the front and back covers, section dividers that contain no information, and any required forms). The submission must include the following, in the order listed:

Cover Letter

The response should contain a cover letter signed by a person who is authorized to commit the respondent to perform the work described in this RFP and should identify all subcontractors, materials, and enclosures being forwarded in response to the RFP.

Relevant Experience

At a minimum, successful submittals shall demonstrate experience and technical competence with the requirements outlined in the above scope of work. Provide descriptions of similar demolition or remediation projects that your organization and/or key personnel have completed, including tasks involved, timeframes, and outcomes. Also include any relevant work performed in a nearby jurisdiction and how this experience relates to the development of the Scope of Work outlined in Section III.

VI. Evaluation and Award Process

Selection Committee

The Town of Sullivan’s Island will conduct a selection process to determine the most qualified respondent at the least cost. This process will include the formation of a staff selection committee and the appointment of other technical advisors as needed to review all the submissions and score them based on the established selection criteria outlined herein. The award will be made to the highest rated and ranked respondent based on the cumulative scores of the selection committee.

The Town of Sullivan’s Island reserves the right to contact a firm to obtain written clarification of information submitted and to contact references to obtain information regarding performance, reliability, and integrity. After evaluating the submitted Statements of Proposals, the staff selection committee may choose to interview a short list of firms prior to ranking the respondents. If interviews will be conducted, short-listed respondents will be notified at least ten (10) business days prior to the interview date.

Notice of Intent to Award

The selection committee’s recommendation for award will be presented to the Sullivan’s Island Town Council for consideration. If approved, a notice of “Intent to Award” will be posted on the Town of Sullivan’s Island website. A notice will also be emailed to all respondents informing them of the committee’s recommendation.

Protested Solicitations and Awards

Any respondent who is aggrieved in connection with the solicitation or award of a contract may protest according to the procedures in the Town of Sullivan's Island's procurement policy, [Section 37.06](#).

Contract Negotiations/ Award of Contract

After the close of the appeal period, if no appeals were received or successfully granted, the highest rated respondent identified by the selection committee and approved by Town Council will be invited to enter contract negotiations with Town of Sullivan's Island to finalize the scope of work, personnel, hours, hourly rates, use of sub-consultants, and other direct costs that will be required to complete the agreement between the Town of Sullivan's Island and the selected respondent. If an agreement cannot be reached with the top ranked firm, the Town of Sullivan's Island will select the next highest ranked responsive and qualified firm and the negotiation phase will be repeated. This process will continue until an agreement is reached with a qualified firm that can provide the required scope of services within the project budget. Any contracts awarded as a result of this procurement process will be between the respondent and the Town of Sullivan's Island.

Once a draft contract is negotiated, the Town of Sullivan's Island and the selected respondent may enter into the contract. Failure to adhere to this policy could result in disallowed grant costs and the cancellation of this solicitation.

VII. Selection Criteria

Proposals should include descriptions and cite experience satisfying the below selection criteria. Proposals will be graded based upon the applicability and quality of the consultant's responses on a 1 to 5 scale. **A score of 5 points is the highest rating within each category with a total of 20 points possible:**

5 points: Fully meets the criteria.

4 points: Some minor gaps in the criteria, but can be easily accommodated

3 points: More moderate gaps in the criteria

2 points: Only partially meets the criteria, compromise and/or additional effort will be high.

1 point: Does not meet the criteria, will assume high risk for the Town.

Proposals of Contractor & Personnel (1-5 points)

Technical expertise and competence, and years of experience of individuals who will be assigned to this project.

Related Experience on Similar Projects (1-5 points)

Extent of relevant experience with similar projects. Outline how the Sullivan's Island project will be conducted and the similarities to previous projects.

Past Performance (1-5 points)

Performance recommendations regarding work quality, schedule, budget, communication and coordination of projects.

Recent, Current, and Projected Workload (1-5 points)

Workload of the contractor and key personnel and how it might impact the respondent's ability to meet the project's schedule requirements. Please provide a project timeline estimating the time

required for project milestones and completion of the project.

VIII. Other Requirements of Consultant if Contract Awarded

If awarded a contract, the winning bidder should be prepared to comply with the following:

- A. Insurance: No work shall commence until the engineer obtains, at his own expense, insurance protecting both the Town and the consultant from any and all claims for personal injury, death, property damage, workers compensation or other claims arising from performance of the contract. Certificates of insurance from insurance carrier(s) suitable to the Town, stating the amount and nature of the consultant's insurance coverage shall be delivered to the Town prior to the commencement of work on the project. ****Unless otherwise directed in writing by the Town, the consultant shall maintain minimum insurance coverage identified below for the duration of the project:**
- B. Commercial General Liability Insurance on an occurrence basis in an amount equal to \$1,000,000 for each occurrence and must include the following coverages: (i) completed operations coverage and (ii) personal injury coverage. Policy must name the Town of Sullivan's Island as an additional insured.
- a. Workers' Compensation Insurance in the amounts as follows:
 1. Bodily Injury by accident, \$500,000 each accident.
 2. Bodily Injury by disease, \$500,000 policy limit.
 3. Bodily Injury by disease, \$500,000 each employee.
 - b. Commercial motor vehicle liability Insurance in the amount of \$500,000 if the company owns automobiles. No endorsement limiting or excluding a required coverage is permitted. Policy must name the Town of Sullivan's Island as an additional insured.
 - c. Maintenance of state and local licenses necessary to operate a business in the Town of Sullivan's Island. These costs are not to be paid in whole or in part by the Town.
 - d. Indemnify and hold the Town of Sullivan's Island harmless for any and all claims arising out of its performance of its duties under this contract.
 - e. Comply with all applicable federal, state and local laws, ordinances and regulations.
- C. Imposition of Indemnification: ***No contract may impose or create any obligation for the State and/or its political subdivisions (i.e., Town of Sullivan's Island) to hold harmless, indemnify or defend any contractor against legal claims. The Town shall be responsible for its employees and agents' negligence that results in any loss or damage to any property or injury to any person arising out of, or connected with, the use of premises or operation of an agreement.***

IX. Terms and Conditions for Professional Services Contracts

The following terms and conditions will be incorporated into the contract for this work:

1. Termination for Cause and Convenience

The contract may be terminated in whole or in part as follows:

- i. By the Grantee, if a contractor fails to comply with the terms and conditions of the contract

- award or federal or state grant award;
- ii. By the Grantee, to the greatest extent authorized by law, if an award no longer effectuates the program goals or agency priorities;
- iii. By the Grantee with the consent of the contractor, in which case the two parties must agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated;
- iv. By the Grantee upon written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Grantee determines in the case of partial termination that the reduced or modified portion of the contract will not accomplish the purposes for which the contract was made, the Grantee may terminate the contract in its entirety; or
- v. By the Grantee pursuant to termination provisions included in the federal or state grant award.

2. Administrative, Contractual, and Legal Remedies

In addition to any of the remedies described elsewhere in the contract, if the contractor materially fails to comply with the terms and conditions of this contract, including any federal or state statutes, rules or regulations, applicable to this contract, the Grantee may take one or more of the following actions:

- i. Temporarily withhold payments pending correction of the deficiency by the contractor;
- ii. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance;
- iii. Wholly or partly suspend or terminate this Contract; and
- iv. Take other remedies that may be legally available.

3. Equal Opportunity Clause

During the performance of this contract, the contractor agrees as follows:

- i. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
 - a. Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
 - ii. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
 - iii. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts.
