TOWN OF SULLIVAN'S ISLAND REQUEST FOR PROPOSALS (RFP)

TOWN HALL PORCH REPLACEMENT ADDENDUM

Questions Received:

Q: On page 3 under demolition, line-item D, it states that "Remove outer porch wall and square columns in rear corner (outline in blue on plans.) There is no blue color outlined on the plans attached, just red. Please advise.

A: Plans with dimensions and colors will be uploaded as part of this addendum. This section is on the back right section of the porch.

Q: When will the decking materials specs be issued for pricing purposes?

A: We are looking for an allowance number for a composite material that will be available for both the stair tread and porch decking. This allowance will be factored into the selection process accordingly. Final material selection TBD.

Q: Is the decking on the steps and porched getting picture framed in?

A: The decking on the porches will be picture framed to match existing. Stair treads will not be picture framed.
