Dear Mr. Phillips:

I am pleased to inform you that based on the recommendation of Town's selection committee, Sullivan's Island Town Council unanimously voted to approve Seamon Whiteside to engineer and design the various drainage improvements awarded to the Town through the South Carolina Infrastructure Investment Program (SCIIP) grant.

Please take the necessary steps in drafting a contract for engineering services for the above-referenced project for review and approval by Town staff.

Congratulations on your proposal and we look forward to working with you to get this project underway.

With kind regards, I am

Joe Henderson, AICP  
Deputy Administrator
