Re: Station 24 Boardwalk Replacement

Dear Mr. Funick:

I am pleased to inform you that based on the recommendation of the Town's selection committee, Applied Building Sciences has been chosen to perform the engineering and construction oversight services for the replacement of the boardwalk at Station 24.

Please take the necessary steps in drafting a contract for engineering services for the above-referenced project for review and approval by Town staff.

Congratulations on your successful proposal and we look forward to working with you to get this project underway!

Sincerely,

A handwritten signature in blue ink that reads 'Rebecca Fanning'. The signature is fluid and cursive, with the first name 'Rebecca' being larger and more prominent than the last name 'Fanning'.
