Dear Mr. Phillips: *Rejane*

I am pleased to inform you that Sullivan's Island's Town Council selected Seamon Whiteside and Associates to serve as the project engineers for stormwater infrastructure improvements awarded under the FEMA 4492 -DR-SC HMGP Projects F0015.

Please take the necessary steps in drafting a scope of engineering services and contract for the above-referenced project for our staff to review.

Congratulations on your successful statement of qualifications and we look forward to working with you to get this important project underway.

With kind regards, I am

Joe Henderson, AICP  
Town Administrator
