*****If the work is being performed by employees of the General/Prime contractor, please indicate employees. Employees are defined as individuals for whom Social Security taxes and income taxes are withheld by the General/Prime contractor and a W/2 is issued to them. If a General contractor (licensed with the SC State LLR's commercial contracting board) is overseeing this project, we will only need the state license information for the alarm system, plumbing, heating and A/C, electrical, gas, building sprinkler, asphalt paving, land surveying and mapping, engineering and testing given that all other scope of trades fall under the license classification the general contractor.
