EMERGENCY ORDINANCE 2020-15

REQUIRING INDIVIDUALS TO WEAR FACE COVERINGS IN RETAIL, FOODSERVICE AND OTHER ESTABLISHMENTS, AND MATTERS RELATED THERETO

WHEREAS, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and other potential methods, and presents symptoms similar to those of influenza; and,

WHEREAS, in December of 2019, a new and substantial outbreak of COVID-19 emerged in Wuhan, China, and has since spread rapidly to 117 countries and territories throughout the World, including the United States, and more specifically Charleston County and the State of South Carolina; and,

WHEREAS, on March 11, 2020, the World Health Organization (WHO) declared COVID-19 a pandemic; and,

WHEREAS, the Centers for Disease Control and Prevention (CDC) is reporting the widespread transmission of COVID-19 in the United States; and,

WHEREAS, no vaccine or drug is currently available to cure or combat COVID-19; and,

WHEREAS, the Town of Sullivan's Island is threatened by COVID-19 because of the apparent ability of the virus to spread rapidly among humans, and COVID-19 thereby constitutes a clear and present threat to the health, safety, and welfare of the citizens and visitors of the Town of Sullivan's Island; and,

WHEREAS, the CDC has issued guidelines for "community mitigation strategies" to limit the spread of COVID-19, including recommendations for social distancing; and,

WHEREAS, the CDC states that cloth face coverings may help prevent people who have COVID-19 from spreading the virus to others, and recommends that people wear cloth face coverings in public settings and when around people outside of their household, especially when other social distancing measures are difficult to maintain, and,

WHEREAS, on August 12, 2020, the South Carolina Department of Health and Environmental Control (DHEC) released data supporting the effectiveness of local mask ordinances in helping to slow the spread of COVID-19, showing that jurisdictions adopting mask requirements saw a decrease in total cases of 15.1 percent in the first four weeks after implementation of those requirements, compared to an increase in cases of 30.4 percent in those without mask requirements; and,

WHEREAS, the Town of Sullivan's Island is working with other government agencies in an effort to prevent the spread of the disease; and,

WHEREAS, Mayor O'Neil and Town Council declared that the Town of Sullivan's Island is in a state of emergency on March 15, 2020, and renewed that declaration on May 19, 2020; and,

WHEREAS, Section 5-7-250 of the South Carolina Code of Laws empowers Council to enact emergency ordinances affecting life, health, or safety; and,

WHEREAS, the coronavirus pandemic continues to be a severe threat to the health and welfare of residents of Sullivan's Island beyond the duration earlier anticipated; and

WHEREAS, the South Carolina Attorney General, on June 25, 2020, issued a public statement that enacting local mask requirements is within the police power of municipalities and is not preempted by State law; and

WHEREAS, the Mayor and Council of the Town of Sullivan's Island have determined, based on the recommendations of public health experts and responsive to a serious threat to the public health, safety, and welfare of its citizens, that it would serve the public interest and be within the Town's police powers under Home Rule and S.C. Code § 5-7-60 to require that individuals wear face coverings in certain situations and locations.
