RE: Tree Assessment Letter for 2618 Myrtle Ave., Sullivan's Island, SC

Dear Katie,

At your request, we have examined a 21" dbh Pecan tree located on the left front side of the above-referenced property. My findings are as follows:

- This tree is considered a healthy tree with strong limb attachments and no structural compromises.
- Client wishes to remove this tree for install of new driveway.

Please contact me at 843-224-1629 if you have any questions or concerns.

Respectfully,

Gerald Benoit ISA, PA
